SKETCHING KALEIDOSCOPE

Viewing Dallas From a Different Lens

Exhibit opening at the Dallas AD EX in June 2021

ABOUT THE EXHIBIT

AIA Dallas, the AD EX, and DFW NOMA have come together to collaborate on a four-month long series of on-location meet-ups to sketch and learn about the diverse cultural history of Dallas. Each month's meetup features a location of significance for Women's History, Environmental Justice, Hispanic Heritage, and Juneteenth.

These events sharpen our sketching skills as well as our understanding of the form of the built environment that surrounds us and the cultural and historical context that created our current architectural and urban landscape.

Sketching Kaleidoscope will culminate in an exhibit of sketches of these locations and more at the Dallas Architecture and Design Exchange (AD EX) from June - August of 2021.
